Motion to adopt agenda by Denise Doss and seconded by Beth Strader.

Treasurer's Report - Jenny Waggoner

A representative from Patient First visited Moody and presented a \$1000 check while visiting Mr. Moseley's class. Jenny will post the picture and thank them for donation.

Received about 20 more members. Still receiving corporate matching checks. Received money from retail promotions: Panera, Chipotle, Publix (\$252) and Kroger (\$160).

A check was issued to the Athletic department to purchase equipment from the golf tournament funds. These funds were carried over from last year's tournament, and the issuance of this check clears all Athletic Department funds from the PTSA's books. Going forward, the Athletic Department will handle its own funds, and the PTSA will not include the Golf Tournament in its budget.

The first membership payment was sent to state PTA.

Raider Fund/Retail Promotions -Kim Imajo

Received \$405 in corporate "matching" donations but still waiting for some to come in. Considering a "March Madness" themed fundraiser for additional donations. Other ideas to consider - reaching out to community partners for donations and more spirit nights.
