

General Membership Meeting Minutes

Moody Middle School Cafeteria

February 25, 2020

Meeting was called to order by Penny Moss, President, at 6:07pm

A motion was made by Gretchen Parrack to adopt the agenda and seconded by Sri Palani

A motion was made to approve the minutes from the last General Membership Meeting of September 17, 2019 by Venkat Sangishetty and was seconded by Sowmiya Gomatam.

Penny Moss welcomed the members and thanked them for attending the Mathnasium Math 24 event. She then listed some of the things the PTSA has done since the start of the school year: Screenagers viewing for all students and families, fall dance, agendas, brain pop, two more water fountain fillers, outdoor planters, library improvements to come, Reflections program and faculty recognition, to name a few!

Penny Moss also stressed the need for a President position to be filled for the upcoming school year, amongst other board and chair positions.

Kristen Vithoukas, Treasurer, gave a brief treasurer's report.

She spoke of the Big picture: On the income side, we are \$2,100 below budget, primarily due to shortfalls in Retail promotions of \$935, Raider Fund of \$741, Spiritwear of \$760, and Boxtops of \$394, offset by an increase in membership of \$749.

Our current cash balance is \$18,690.20; however, if we spend the remaining expense budget of \$14,700, we will have just under \$4,000 remaining in our cash account, just below our goal of \$6,000 to end the year.

She then went into more detail about some of the expenditures Penny listed above:

- Reimbursed teachers \$1,307 for classroom supplies
- Purchased student agenda books for \$2,809
- Purchased Brainpop learning software \$1,421
- Invested in school improvement: water fountain fillers & planters in the front of the school \$1,665
- Sponsored Screenagers program \$650
- Spent \$900 on teacher hospitality

Kristen ended with a plea to consider donating to the Raider Fund if you have not already, or support a restaurant night or send in boxtops.

Penny Moss then adjourned the meeting at 6:13pm.
