Dear Parent/Guardian,

Studies show that parental involvement in a child’s education is a key factor in raising a student’s self-esteem and academic achievement. Experts agree that parental involvement should be more than teacher meetings and open houses. We have plenty of opportunities for you to get involved in our school to do just that!

**Please review the volunteer opportunities suggested below and mark your selections.** You can return the form to your child’s APL teacher, front office or by sending an email to the PTSA volunteer coordinator at volunteersmoody@gmail.com.

**\*\*\* HCPS policy states that all parents wishing to volunteer for any services (including chaperones) are required to complete the HCPS Volunteer/Mentor Application. A copy of the form can be found on the Moody PTSA website www.gomoodypta.com. \*\*\***
