Kristen recommended that we do it virtually and offer after a general PTSA meeting. Mathnasium may need volunteer support.
4. [Treasurer's report](#)
 - The updated Treasurer Report was provided via email to the Board prior to the meeting. Our income is only \$225 short of reaching our budget goal, thanks to Kristi's many efforts. Our cash balance is \$21,081 since we still need to pay the school improvement budgeted amount (\$5,000) as well as our other budgeted expenses.
 - Ms. Doss has requested the school improvement budget (\$5,000) be used towards additional panel smart boards. The cost of 1 board is \$5,000. Waiting on official cost from HCPS. Ms. Doss would be able to use other school funds to purchase 4 additional boards for classrooms. Kathy moved that we use those resources to purchase 1 board. Kristi seconded. The PTSA board approved the purchase.
