Hospitality

Jen Turner

As part of the back to school effort, we would like to communicate the role of the hospitality team and how the families can support the teachers/staff. While the communication will hopefully inform parents, it will also have an ask for families to contribute to the monthly staff appreciation snack table via an amazon wish list (which will also include gift card requests). Ways we would like to communicate with families:

**Raider Set Go Event:** We will have a flyer available for parents to take that will share Teacher Appreciation Efforts during the year and will also include a QR code to our Amazon wish list. We will have a larger sign/QR code to place on the table for people to see when they first walk up. This will all be done and ready by August 8th.

**Back to School Communication:** I would like to request a blurb added to communications sent to parents during the back to school process to provide them the same information in the flyer/link.

**Facebook:** We will post a few messages with the link to our Amazon wish list.

**Fall Hospitality Events:**

**Teacher Work Week Lunch** - the hospitality team will be providing lunch for staff/teachers during the teacher work week. I am targeting Friday, August 26th as I will be in town to facilitate the logistics. Will communicate the final date once confirmed with school. Ms. Hoppin will confirm that date.

**First Week of School Treat** - We will be providing the teachers with a treat to get them through the first week!

**Back to School Night Dinner** - Hospitality will be providing pizza for teachers/staff
